

Magnet Magnet

by Ms. Siegel's AM Class
with Mary Amato

Intro:C/C/C/C

C

A field is around me
You can't see

G

If you get close

C

You'll get stuck to me.
Stuck to me, stuck to me

G

If you get close
You'll get stuck to me.

G7

C

I attract iron
Steel and nickel

G

I don't attract

C

Wood or pickles
Wood or pickles, wood or pickles

G

I don't attract
Wood or pickles.

G7

C

Earth has iron
It is true

G

It's a giant magnet

C

That pulls you.
That pulls you, that pulls you

G

It's a giant magnet
That pulls you.

G7

C

If you are a magnet
We can stick

G

South to north

C

That's our trick.

That's our trick, that's our trick

G

South to north

C

That's our trick.

G7

(Slowly)

C

If your north
touches my north

G

I'll repel

C

You, of course!

C

You, of course, you, of course

G

I'll repel

C

You, of course.
