

Dear Earth  
*A song from the point of view of the moon.*

A glittering silver balloon

I spin like a dancing top  
G  
I am the moon

CHORUS

Around and around and around I go  
G  
I follow you around the sun  
F  
Over and over and over again  
G  
Another year is done.

VERSE

C  
My craters are my battle scars  
Deep marks of time  
F  
I'm stronger than you think  
G  
You'll notice that I'm fine.

CHORUS

F  
Around and around and around I go  
G  
I follow you around the sun  
F  
Over and over and over again  
G  
Another year is done.

Making waves in motion
