

Shadows in the Light  
*A song from the point of view of a shadow*

VERSE (start on A note)

Am  
I'm complicated, a copy,  
Somebody's twin,  
Sneaky and mysterious,  
Forgotten and worn thin.

CHORUS (Start on B note)

G  
I'm a clone of darkness.  
Am  
I cover the ground.  
G  
I'm like a creepy stalker  
E7  
Who follows you around.

VERSE

Am  
You see me when the sun comes up.  
I'm made when there is light.  
But don't try to find me  
When I vanish in the night.

REPEAT CHORUS (Start on B note)

G  
I'm a clone of darkness.  
  
Am  
I cover the ground.  
G  
I'm like a creepy stalker

E7

Who follows you around.

BRIDGE

F  
I move, twist, and turn  
All throughout the day  
G  
Even when I'm with you.  
I have nothing to say.

VERSE (start on A note)

Am  
I'm complicated, a copy,  
Somebody's twin,  
Sneaky and mysterious,  
Forgotten and worn thin.

CHORUS (Start on B note)

G  
I'm a clone of darkness.  
Am  
I cover the ground.  
G  
I'm like a creepy stalker  
Am  
Who follows you around.
